Forget the politics....
it's nice to have POTUS recognize
our Senior Corps volunteers!

August 26, 2016

America is what it is because we built it together. With collective effort and in common purpose, generations have endeavored to enrich their communities and our country, adding their voices to a tradition of civic engagement that has guided us since our Nation's founding. The America we know today was shaped by the contributions of people of all ages and from a multitude of origins, and we are joined together by a belief in the enduring power of our country's promise.

As Senior Corps volunteers, you have helped carry forward this legacy and set a powerful example of service—one that can have a tremendous impact on the lives of those around you and inspire others to step forward to serve. In your dedication, we see the spirit of shared purpose—the understanding that we are all bound to one another—that is at the core of our national character.

As you gather from across our country to reflect on the difference you are making, know you have the deep appreciation of a proud and grateful President.

So What Do Senior Companions Do?

Senior Companions offer a homebound elderly or a disabled person much-needed support such as companionship, light housekeeping, running errands and just maybe a caring new friend. For someone who feels lonely and isolated, a Senior Companion provides a vital connection to the outside world. Helping someone remain living independently, with dignity, is not only the right thing to do – it's the very measure of our humanity. Thank you, Senior Companions!

Seniors In Service;

9-22-16

Glarisol,

I am writing to express how thankful I am for Seniors in Service to have sent Maria Rivera to me. Maria has been a blessing of help. Maria's assistance and companionship is accomplishing the exact need it was created to provide. I am not a senior, I am a permanently disabled person. My disability makes many necessities difficult or impossible but with the assistance of Maria life has been easier.

Maria has been extremely reliable and has rearranged her schedule several times over the 1 1/2 years she has been coming to my home.

If there is an award I can nominate Maria for I happily will.

Sincerely,
Reynaldo Gonzalez

CEO CORNER from *Seniors in Service* President/CEO Tammy Criollo...
2016 has been quite a year...

One of the things you can always count on in non-profit work is change. And we've experienced plenty of change in 2016. New funders and growth, new partnerships for greater community impact. We're in a very exciting place with our Foster Grandparent Program. Thanks to new support from the Juvenile Welfare Board, we've been able to grow our program in a way we never have before.

And now we need to ask the community to help fill in where we have a gap to support this growth. For only \$300 per month we can provide a classroom with a Foster Grandparent Volunteer who will be serving in that classroom all year long for at least 15 hours per week with one-on-one tutoring to the MOST challenged students. As you're planning your year-end giving, we ask that you consider a \$300 donation to Seniors in Service to support a Foster Grandparent for a whole month. And our Senior Companion Program can also use your support. The same \$300 donation can provide a client with visits from their Senior Companion for a whole month. We need your help in maintaining the companionship support of our volunteers to homebound elderly and veterans. **WE NEED YOU!** Donate at seniorsinservice.org!

Kindergarteners at Oak Grove Elementary were treated to some special guests at their Zoo-To-School experience on October 12th!

Meet Ms. Charley,
the Tarantula!

Kindergarteners got a chance to see environmental science brought to life through real-life animal encounters. And the experience will go on with integrated curriculum, one-on-one tutoring by a Foster Grandparent Volunteer and Ed-Zoo-Cation nights that will engage the whole family – including siblings and parents.

These kids love it and that makes learning so much easier!

Pinellas County Schools' Dr. Valerie Brimm Joins Our Board

Seniors in Service is thrilled to welcome new Board Member Dr. Valerie Brimm, Director of Strategic Partnerships for Pinellas County Schools. Dr. Brimm oversees the district's Volunteer and Mentor Program, Family and Community Engagement Program, Parent Advocate Program, 21st Century Community Learning program and coordinates Community Organizations, Faith-Based Groups, and Business/Corporation partnerships. Dr. Brimm states, "The Foster Grandparent volunteer program directly aligns with the responsibility of my duties as well as the services provided by this office." We look forward to continuing to grow our stellar partnership and collective impact with Pinellas County Schools and its other supportive partners.

Seniors in Service of Tampa Bay

The Hillsborough County Board of County Commissioners recognizes
Seniors in Service of Tampa Bay, Inc. for engaging senior citizen volunteers
who help provide support for low-income people in Hillsborough County.

Since 1984, Seniors in Service of Tampa Bay has recruited, trained, and
mobilized more than 700 volunteers aged 55 and over throughout
Hillsborough County. The volunteers offer physical, mental, and spiritual
support to at-risk children, low-income seniors, veterans, and people with
disabilities. Collaborating with more than 150 community partners, Seniors in
Service of Tampa Bay has devoted over 4 million hours of assistance to the
community. The nonprofit group's Foster Grandparent Program, Senior
Companion Program, Lowry Park Neighborhood Initiative, and Retired
Senior Volunteer Program impact the lives of more than 2,000 children and
500 seniors annually. Their many accomplishments have led Seniors in
Service of Tampa Bay to be awarded as Tampa Bay Business Journal's 2016
Non-Profit of the Year for Family Services.

The Board of County Commissioners of Hillsborough County, Florida does
hereby commend Seniors in Service of Tampa Bay for helping County
residents of all ages through the generous volunteerism of senior citizens.
